

RLG

Reliance Logistics Group Inc.

We drive success.

Welcome to Reliance Logistics Group Inc.

Established in 2013, we have forged a reputation in the industry with our superior trouble-shooting methods, customer service and effectively monitoring time sensitive shipments across air, land and sea, often in remote and challenging areas.

As a non-asset based organization with access to a significant pool of carrier partners, we can focus on our customers instead of worrying about maintaining our own fleet.

We specialize in point-to-point transportation and warehousing throughout the US and Canada; whether it is LTL, TL or intermodal. We have recently expanded into air and ocean shipments as well to meet our client's vast changing demands.

We know your business.

Whether it is heavy machinery or consumer goods, we have taken the time to learn your business. We are experts in utilizing cargo requirements for our clients and selecting the right mode of transport to suit their deadlines and budget.

We are the logistics partner of choice for the following industries:

- Drilling
- Automotive
- Project Cargo
- Heavy Equipment
- Oil, Gas and Energy
- Mining and Infrastructure
- Consumer and Retail Goods
- Industrial and Manufacturing
- Pharmaceutical and Healthcare

MISSION

Provide our customers with the best shipping experience, keeping in mind the most cost-effective solutions.

VISION

To become a distinguished and leading supply chain management organization within the industry.

COMMITMENT

Our commitment is your satisfaction and peace of mind while decreasing your bottom line.

Solutions

Operations Dispatch:

You can regard RLG as your company's personal logistics department devoted to ensuring the successful movement of freight regardless of timelines. As your company's outsourced logistics specialists, we will utilize any mode of transport available to ensure that your goods are shipped safely and in the most cost-effective manner.

Our team will manage:

- Carrier communications from start to finish
- Financial transactions, terms, and payment schedules
- The movement of goods from supplier to customer, including customer returns
- Any related steps in the transportation process

Carrier Management:

We are not a carrier and therefore do not own any equipment. Our highly qualified freight carriers are insured, bonded, and are chosen specifically for their reliable on-time delivery records. Our strong relationships with our partners have provided the foundation for our success and remains one of the reasons why we have earned the respect and trust of our clients.

Why Ship With Us?

1.

Our main goal is to move your goods in the most cost efficient and safest way possible. Our experience allows us to adapt to your needs in a personalized manner.

2.

You can rest assured that we will handle your shipments with the utmost care, giving you the peace of mind that it will arrive to the final destination on time and in perfect condition.
